

# Easy

# Chocolate Cake

## Ingredients:

### For the cake:

- ★ 220g golden caster sugar
- ★ 200g unsalted butter
- ★ 4 large eggs
- ★ 200g self-raising flour
- ★ 2 tbsp cocoa powder
- ★ 1 tsp baking powder
- ★ ½ tsp vanilla extract
- ★ 2 tbsp milk

### For the buttercream

- ★ 100g chopped milk chocolate
- ★ 200g butter, softened
- ★ 400g icing sugar
- ★ 5 tbsp cocoa powder
- ★ 2 tbsp milk

## How to:

- ★ Heat oven to 190C/170C fan/gas 5.
- ★ Butter the base and sides of two 20cm round sandwich tins and line the bases with baking parchment
- ★ In a large bowl, beat together 200g golden caster sugar, 200g softened unsalted butter, 4 large eggs, 200g self-raising flour, 2 tbsp cocoa powder, 1 tsp baking powder, ½ tsp vanilla extract, 2 tbsp milk and a pinch of salt until pale.
- ★ Divide the mixture between the prepared tins. Bake for 20 mins or until a skewer inserted into the centre of the cake comes out clean.
- ★ Leave to cool in the tin for 10 mins, then turn out onto a wire rack to cool completely.
- ★ For the buttercream, put 100g chopped milk chocolate in a heatproof bowl and melt in the microwave, stirring every 30 secs. Leave the melted chocolate to cool for 5 mins.
- ★ Mash 200g softened butter and 400g icing sugar together with a fork, then switch to a wooden spoon or electric beaters, if you have them. Sift in 5 tbsp cocoa powder with a pinch of salt and pour in the melted chocolate and 2 tbsp milk. Mix again until smooth.
- ★ On a cake stand or large plate, sandwich the cakes together with half of the buttercream, then spread the rest on top.
