Senior Postvention Practitioner – Suicide Bereavement Service

Leeds Mind is a progressive mental health organisation that supports people experiencing mental health difficulties to flourish. We are committed to developing services that are sensitive to individual need and of measurable benefit to users.

Join our exciting postvention service providing timely and person-centred support to those bereaved by suicide. You would be managing a passionate team of practitioners with lived experience while supporting a small caseload of clients yourself. We have two services currently funded by WY&H ICS and Public Health Leeds meaning we are able to provide support across Bradford, Airedale, Wharfedale and Craven, Calderdale, Kirklees, Leeds, Greater Huddersfield, and Wakefield. This post supports the Service Lead in the management of both services and ensuring effective, high quality support is provided when people need it the most.

Essential Skills and Experience:

- Personal experience of being affected by a suicide bereavement.
- Excellent organisational, time management and administration skills
- Passion for Postvention
- Willing and able to travel across the Yorkshire and Harrogate region.
- Knowledge of postvention and the impact of suicide bereavement
- Experience of managing a team

Hours – Part Time 30 hours per week - Some Evening work possible

Scale – Scale NJC SOI Points 23-25

Salary – £27,741 to £29,577 pro rata per annum

Contract – Fixed Term – 1st of October 2021

Closing Date: Sunday 6th of December 2020

Interview Date: Tuesday 15th of December 2020 (held via Microsoft Teams)

The role is based at Clarence House, Clarence Road, LS18 4LB, with travel across West Yorkshire and Harrogate.

Application forms and further details can be obtained by going to our website at www.leedsmind.org.uk

We strongly suggest contacting us for an informal discussion about the post before applying.
